THE FIGHT IS ON

Manager Kearns Comes
to Sane View; Agrees
to Take Chance on the
Gate Receipts.

SHELBY IS HAPPY

Shelby, Mont., July 3.—Shelby today greeted the magic words: "The fight is on" with a celebration which grew wilder every minute. Gloom and disappointment, that has hung over the place for days changed into elation at sunrise at the announcement by Jack Kearns and the celebration assumed the proportions of a joyous riot.

Shelby, Mont., July 3.—Taking a chance and sportsman's chance Jack Kearns in the wee hours of this morning agreed to send Jack Dempsey into the ring against Tommy Giltner in Shelby on July 4.

Kearns is taking a "stud game" chance that he will be able to obtain the remainder of the \$300,000 purse guaranteed him in his contract.

After a whole night spent in conferences during which Kearns made out after overture to help the promoters out of their difficulties, it was finally agreed that Kearns should accept the \$300,000 that has already been paid him and gamble on the gate receipts. Throughout the conference Kearns offered every proposal that he knew of to make the fight good. He suggested a postponement for a month. He offered the fight for \$250,000 and signed his willingness to go on with the \$200,000 they have paid and secure the remaining \$100,000 of the \$300,000 purse from the gate receipts after the expenses of the show, including the purse for the preliminary, the salaries of the ushers and special police had been paid.

The promoters for a time refused to accept Kearns' offer after a lot of deliberation, finally agreed to accept his terms.

A DELIGHTFUL PARTY

A delightful birthday party was held in honor of John Mable at his home last evening in Hyde City. When the first of his friends spent the evening in playing games, dancing and singing. The out of town guests were from DuBois and Brookville. Refreshments were served and the guests left at a late hour wishing Mr. Mable many more happy birthdays.

Harding And Wife Make
Merry In Little Town
In Oregon; Surprise Visit

Mechem, Oregon, July 3.—President Harding went back to the days of the covered wagon and trail blazing pioneer days here. Surrendering to the romance of the old west Mr. Harding was the central figure in a celebration of the coming of the white man to the Oregon country.

Mechem is too small to mark on the map and Mr. Harding's acceptance of the invitation came as a surprise even to those who extended it.

He held a powwow with some of the pioneers who entered the country while the Indians were still natives. Mrs. Harding led the grand march and was introduced to some of the older members who blazed the Oregon trail.

Johnstown Machinist,
32, Takes The Count
In Battle With Booze

Youngstown, O., July 3.—Clasping a photograph of his wife in his hand, the body of Charles Cameron, aged 32, a machinist, was found lying on his bed in a room in a hotel here today. At his side was an empty vial. On the back of the photograph was written: "A good girl for a rotter." He also left a letter addressed to his wife, 242 Llewellyn street, Johnstown Pa. The letter said: "Dear Edie: The booze is getting me so why not this quiet way. Nothing expensive. Remember you need all the money you can save for yourself and Junior. Goodbye. Love."

Glen Seymour of Rochester, N. Y. is spending a few days at the home of Mr. and Mrs. Bruce Sheesley on Weaver street.

Mr. and Mrs. Lee Williamson and children of Jersey Shore are spending a few days with their daughter, Mrs. Bruce Sheesley.

P. O. HOURS FOR JULY 4TH

Windows open 11 to 12 a. m. and 6:30 to 7:30 p. m.
Carriers will make no deliveries.
A collection will be made in the Business district morning and evening.

Tabled Again

Their draft was reported June 28, but tabled. July 1, Congress, as a committee of the whole, agreed to it and reported the resolution.

July 2, Congress adopted the independence resolution. The Declaration was considered by the committee of the whole July 3. The following day, July 4, the Declaration—including the first paragraph of Lee's resolution—was adopted by Congress.

Congress immediately ordered authentication of the Declaration and printing it as a circular, distributed to all state assemblies, etc.

Not more than a fourth of the 56 signers of the Declaration were present July 4. Seven who were members and present at the time were unable to sign the historic document as their terms of office expired before Aug. 2, the date members began to sign the officially engrossed parchment, to be signed by all members of Congress.

This change of congressmen resulted in Thornton Williams Rush, Clymer, Smith, Taylor and Ross becoming senators—although they were not members of Congress July 4 when the Declaration was adopted.

BIRTHDAY GREETINGS!

Final Instructions Go Forth On Parade Route, Formation And Placing Of Big Floats

Spectacle of Beauty Will
Move Promptly at Ten
Thirty; A Full Day of
Amusement to Follow.

FOLLOW CROWD

The final touch has been given to the plans for Clearfield's biggest Fourth of July, which is scheduled for tomorrow and at this time all is set and in readiness for the big time.

The amusement and entertainment features are of unusual class this year, the program being complete in every particular and will supply the particular kind of fun even the sourest kind of a pessimist indulges in at least once a year.

There will be horse racing galore, music till you can't keep your feet still, baseball between Philipsburg and Clearfield, a bang-up carnival, dare devil air flying, an industrial parade that will be a marvel and a soldier's reunion that will bring hundreds of veterans of the world war together, while the line-up will include heroes of three wars. The Spanish-American war vets and their more ancient comrades-in-arms the G. A. R. will be guests of the younger Legion and this feature of the big parade will prove an inspiring sight.

Parade Starts at 10:30 Sharp.
The big show opens with the industrial parade in the morning, it being the purpose to start the parade promptly at 10:30 o'clock. There are so many entries for the parade that close attention to details and program for same will be required to avoid confusion, and for the purpose of preventing mix-ups of any kind and character we present herewith the committee's instructions to all participants. Kindly familiarize yourself with same and then act accordingly. Here is the dope:—
To all business places and industries having floats in the July 4th parade for 1923:
The parade committee of the John Lewis Shade Post of the American Legion wishes to take this means of notifying you of the various orders that should be conveyed to the driver of your float in the July 4th parade.

**SPECIAL INSTRUCTIONS
TO FLOATS**
All floats do as instructed by letter, any float that did not receive Special Instructions, report to Mr. Blake Owens at Cherry and Third, before 9 o'clock, where they will be given their position in parade.

BLUE BALL WOMAN WITH YOUNG BABE LOST OVER NIGHT

The staid, easy going people of Blue Ball, were treated to a thrill of excitement Sunday, July 1st, when they were enlisted to take up the trail of a stray woman and her babe.

Sunday afternoon about 2 o'clock a woman, Mrs. Annie Fagan, started from her home taking with her her 7-month old baby. When she did not return the members of her family became alarmed and spent the afternoon in search of her. Failing to locate her, they enlisted the aid of others, and a large force of men and boys scoured the surrounding woods Sunday evening, but without avail.

This morning at about 6 o'clock the searchers learned she was at the home of Clarence and Charles Peters about one mile and a half back of Blue Ball, having gone there to get milk for her child. Her parents and husband immediately went after her in a car and she was returned to her home. Neither she nor the babe seem to be suffering any ill effects from the experience.

No reason for leaving her home and spending the night in the woods with a child of tender age has been advanced by Mrs. Fagan. Whether she had gone for a walk and, having no means of telling the time, was not aware of the hour until darkness set in, and becoming frightened, lost her way, is not known but that is the theory advanced.

**SOMETHING EVERYBODY
SHOULD KNOW**
The main entrance to the Park will be reserved entirely for pedestrians and official cars. Automobiles will take route across lower bridge, out Nichols to Turnpike, right on Turnpike to McBride, right on McBride to Park entrance.

Returning, automobiles will leave park at rear entrance on Old Mill Road, back of Exhibition building, to Turnpike, follow Turnpike to B. R. & P. station, thence across upper bridge to court house.

COUNCIL SESSION LAST EVENING IS DEVOID OF THRILL

The regular semi-monthly meeting of Borough Council held in the Council chamber last evening and was participated in by nine members of Council and Burgess Kiteberger.

The Burgess in his monthly report showed there had been six arrests during June and that these six violators of the Borough statutes had paid into the treasury \$48 in hard cash by the fine route while \$5.50 more had been secured by the Burgess for license issued.

Tax Collector Kerr reported payment of \$641.23 on duplicate of 1922 while ex-Tax Collector Taylor turned in \$27.30 on duplicate of 1921.

Borough Solicitor Urey reported collections of \$116.89 since last report and presented his check for same.

Engineer Hess reported on the construction jobs now underway about the borough and said the repairs at the curve at the foot of Bigler Avenue had been completed and that Leav Avenue paving would be completed before the next meeting of Council.

WANTED—Six Boy Scouts in uniform for parade work tomorrow morning. Apply to A. G. T. whole crew at seven o'clock this evening.

LOCAL MISS WINS MEDAL GIVEN BY SONS OF VETERANS

During the school year just closed the national organization of the Sons of Veterans of the United States offered a prize of a gold medal or its equivalent in gold coin to the member of the Eighth Grade in any public school in the land for the best essay on Abraham Lincoln.

Among the Eighth Graders in the Clearfield schools to enter the contest was Miss Margaret Gilliland, daughter of Mr. and Mrs. Frank S. Gilliland, of South Fourth street. Thousands of essays were received and it took the committee in charge many weeks to examine the papers and make their award of the prizes.

Today Miss Gilliland was advised by Secretary McGirr, of the committee from headquarters at Philadelphia, that her essay had been adjudged the best and the first prize awarded to her. The prize is a handsome gold medal bearing the name of the prize winner together with a mention of the contest in which it was won.

Miss Margaret is mightily pleased over her success and is receiving the congratulations of her friends on her ability.

Secretary Willets Dismisses Dozen, Including Sanders

Harrisburg, July 2.—The release of 10 employees of the state department of agriculture, among them Dr. J. G. Sanders, for the past seven years head of the bureau of plant industry, was announced today by Secretary of Agriculture Frank P. Willits. The action, the secretary said, was in connection with the department's organization plans. Dr. Sanders is widely known as a zoologist. He came to Pennsylvania from Wisconsin.

Miss Achsah Lippincott, of Philadelphia for six years assistant director of the bureau of markets, was dropped.

In the bureau of foods Thomas G. Hurley, Chester; Archie Billings, Edinboro; Myrven H. Neaffer, Altoona, and Albert G. Woodward, Clearfield, were dropped. Walter L. Nuschke, Austin, resigned.

Three market reporters, W. H. Steinbauer, Erie district; S. W. Russell York, and Harrisburg districts, and H. C. Marsh, Reading and Allentown districts, were dropped. Steinbauer and Russell have accepted positions with the Federal department of agriculture and Marsh is engaged in potato work in Potter county. In the bureau of chemistry Leroy Pennacker, assistant chemist, was dropped.

Willits announced that during the grape marketing season in Erie county and the potato marketing in Lehigh county a temporary crop reporting service will be established.

ATTEMPT TO PASS CAR FATAL TO TWO AT MAHANAOY CITY

Mahanoy City, Pa., July 3.—Chas. Oransky, aged 40, of Coalbrook, and George Noll, aged 30, of Ashley, and four others were injured in an automobile accident that occurred on the Home Town pike five miles east of here last night.

Oransky, driving a small touring car, attempted to pass a car driven by Gilbert Brayford of this city, going in the same direction and collided head-on with a huge passenger bus traveling in the opposite direction. The Brayford car crashed into the wreckage.

BURNED TO DEATH IN OVERTURNED CAR; ANOTHER BAD HURT

Saintclairsville, Ohio, July 4.—When the automobile in which they were riding overturned and caught fire near here last night, Wm. Williams, 25 of Martins Ferry, was burned to death and Stanley Cummings, 36, Moundsville, W. Va., was probably fatally injured.

SHERIFF NABS MAN DRIVING CAR IN DRUNKEN CONDITION

William Wolf, of Clearfield, was arrested by Sheriff Lowell between 8 and 8 o'clock last evening on Clearfield-Curwensville road charged with operating a motor vehicle while intoxicated. Wolf's car failed to make the turn at the crossing below the bridge across the river below Clearfield and snapping off the steering signpost ran down the embankment short distance before the driver got it stopped. The Sheriff happened along about this time and when Wolf was placed under arrest. He was taken before Squire Chorprenant for his appearance at court.

Lewis Wiser Held As Bootlegger At Curwensville Court

Another alleged pernicious bootlegger met the strong arm of the law in Clearfield county and went down before it, when County Detective Snyder and State Troopers Barker and Pierce went out to Long Run in Bush township yesterday afternoon armed with a warrant for Lewis Wiser, which charged him with violation of the liquor law. Wiser was found and arrested, but a search of his house and premises failed to discover any "unlicensed hooch."

Wiser's arrest is a follow-up on the arrest at the carnival at Curwensville Saturday evening of four Clearfield young men named Dotch, Smith, Gussion and Myers, whom the officers saw drinking from a bottle in the rear of one of the tents.

When taken into custody and quizzed a little by the officers the young men volunteered the information that they had driven out to Wiser's home on Saturday evening looking for Curwensville and picked up the moonshine they were drinking from Wiser. The young men were taken before Squire Dale at Curwensville Monday and fined for disorderly conduct.

Yesterday information charged bootlegging was made against Wiser by the officers before Squire Chorprenant, who issued the warrant upon which Wiser was arrested during the afternoon. He was brought to Clearfield, but managed to secure \$1,000 bail for his appearance at September term of criminal court.

Marl Dotch, aged 18, one of the Clearfield contingent, was charged with violating the liquor law also, and he is at large on \$1,000 bail for his appearance at court.

REPORT UNION BOUGHT HERRIN TO SETTLE CLAIM

Springfield, Ill., July 2.—Purchase of the strip mine at Herrin, Ill., about which rioting a year ago cost 22 lives, was reported here today to have been effected by the Illinois Mine Workers, as a means of settling the heavy damage suits contemplated by W. J. Lester, owner of the mine. The report is unverified, but according to information the price was \$726,000.

Verification of the reported purchase was delayed because of the unwillingness of other state officers of the mine workers to talk in absence of President Frank Foster. Secretary Walter North, the only announcement obtainable must come from Farrington, whose whereabouts at this time, he said, he did not know.

HARD COAL OPERATORS AGREE TO MEET LEWIS

Philadelphia, Pa., July 3.—Anthracite coal operators have accepted this invitation of John L. Lewis, president of the U. M. W. of A. to meet with representatives of union miners of Districts No. 1-7 and 8 at Atlantic City on July 6 for the purpose of adopting a new agreement in place of the present one which expires August 31, 1923.

Miss Jane Hagerty, who is a delegate representing Dickinson College, is attending a convention at Estes Park, Colorado, at present.

By HENRY L. FARRELL
(United Press Sports Editor.)
Shelby, Mont., July 3.—In a shiny new pine arena, nestled down in a cup of rolling hills, in this little but hustling cow-oil city, Jack Dempsey and Tommy Gibbons are scheduled to meet under the afternoon sun tomorrow, for the world's heavyweight championship.

The bout is scheduled for 15 rounds to a decision. James Dougherty, of Philadelphia, who was favored by Dempsey and Jack Kearns, his manager, will be the third man in the ring.

The arena, which is about half the size of the Rickard stadium in Jersey City, was built at a cost of \$75,000 to seat 40,000 spectators. The seats are selling at from \$20 to \$50. The seats are very narrow and it is going to be a job sitting on them many hours, especially if a hot Montana sun is on the job and the sun does get hot out here—make no mistake about that.

Dempsey is guaranteed \$300,000 for his efforts, and in addition, \$10,000 for training expenses. And Kearns, Dempsey's manager, got \$200,000 of the amount when June was half gone, even if he did come close to wrecking the show to get it. Gibbons is gambling. He has agreed to take 50 per cent of the receipts after Dempsey's guarantee is taken out. Perhaps Tommy will owe himself money after the fight is over, for \$300,000 looks like a big bunch of money even out here, where money doesn't go very far, anyhow.

Dempsey says he expects to enter his ring at 190 pounds and Gibbons will probably be about 10 pounds lighter. Jack Kearns and Jerry Lavatza, Dempsey's trainer, will head the forces in Dempsey's corner. Eddie Kane, Gibbons' manager, will be in Gibbons' corner, with a corps of assistants.

It has been announced that the Dempsey-Gibbons fight would be staged at 8 p. m., Rocky Mountain time, which is 4 p. m. central standard; 5 p. m. eastern standard, and 6 p. m. daylight saving time on the Atlantic coast. On the Pacific coast this will be 3 p. m. standard.

There are only three hotels in Shelby, but tents have been put up all over the town and the Great Northern Railroad has put in force four miles of new sidetracks, where it has accommodations to park thirty special trains, where customers are expected to eat and sleep.

Of course refreshment stands of all kinds have appeared all over town and outside of the Pullman customers, most of the eating will be of the hot dog variety.

The county has also provided immense parking spaces for autos and plenty of reservations for parties who desire to camp and these spaces have been filling up the last few days.

Bright Idea.
My little niece, five years old, went to visit a neighbor's little girl, and seeing a cat with a family of little kittens, she went home and said: "Mamma, Mamma's old cat has got a lot of little kittens and I am going to set my cat."

OH! MY BACK!
A stubborn backache is cause to suspect kidney trouble. When the kidneys are inflamed and swollen, stooping brings a sharp twinge in the small of the back, that almost takes the breath away. Doan's Kidney Pills revive sluggish kidneys—relieve aching backs. Here's Clearfield proof:

Mrs. Roy Shirey, 128 Clearfield St., says: "I had an attack of kidney complaint that caused me to have a severe pain in the small of my back. When I got up morning the pain was severe and I had headaches. My hands were swollen, too. After taking about four boxes of Doan's Kidney Pills the pains in my back were all gone and I haven't been troubled with my kidneys since. I think Doan's are a wonderful kidney remedy and I gladly recommend them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Shirey had. Foster-McMillan Co., Mfrs., Buffalo, N. Y.

MALEFACTORS ARE UP BEFORE JUDGE FOR SENTENCES

Walter Dempsey, of DuBois, was sentenced by Judge Bell this morning to pay a fine of \$100, and serve 15 days in jail on his plea of guilty to having violated the state motor law by driving an automobile while under the influence of liquor.

Mrs. Mary Serian of DuBois, who some time ago was convicted of violation of the liquor law and allowed to go upon payment of \$200 fine and costs, further sentence being suspended on her agreeing to leave the county, recently returned to the county and was haled before the court this morning and sentenced to 60 days in jail.

Mrs. Serian has had a strenuous experience during her life. Her first husband up and died. No. 2 beat it about the time the arrest for violation of the liquor law was made and she being informed he had made his way back to Italy and died, thereupon led No. 3 to the altar. It was this last husband who induced the poor

woman to come back to DuBois. When she got off the train at the B. & P. station en route to the Court House for sentence, with one baby in her arms and six other ones ranging in age from 12 years down, tagging along after her, she attracted some attention as they traipsed down Market street.

The woman took the baby to jail with her while husband No. 4 is going to wrestle along with the other six during the sixty days the wife and mother is in jail.

THE FATHERS

BY BERTON BRALEY

The Fathers of our Country were in no wise afraid Of all the might and power that George the Third displayed.

They signed the Declaration

Which made this land a nation,

Nor thought the price of liberty too heavy to be paid.

The Fathers of our Country, they held a vision true,

A vision of democracy, and bravely saw it through;

With all their strength they wrought for it

And what is more—they fought for it

And held their purpose steady as brave men always do.

Because their hearts were fearless, because their aims were true,

Their spirit lives among us when all their bones are dust.

And if our nation flourishes

It is because it nourishes

The dream of human freedom in which they put their souls.

And this is our inheritance to hold, and to maintain,

Not selfish isolation or sordid greed, of gain.

But faith in the ideal

Of making freedom real,

A light to guide humanity through all the world's domain.

The Fathers of our Country beneath its soil are laid,

But those immortal words they wrote shall never pale or fade.

And while their faith enfolds us

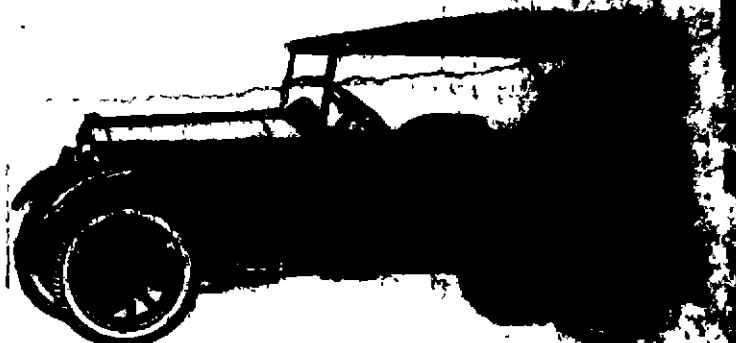

And their great vision holds us

Then, like our Country's Fathers we shall not be afraid!

FINAL INSTRUCTIONS

(Continued From Page One.)

Have your float report to Blake Owens, a member of our committee, who will be stationed at the corner of 3rd and Cherry streets. Your float should report between the hours of eight and nine o'clock in the morning of July 4th. Under no circumstances should they take any position until they have been notified to do so by Mr. Owens. At this time you will be officially checked into the parade.

The cups which will be awarded as prizes for the various floats are now on display in the window of Snyder's jewelry store. We wish to call your attention to the fact that your float may compete in two of the three classes, namely: The loving cup that will be given for the most beautiful and artistic float in the industrial section of the parade and the loving cup that will be given for the float having the best advertising features in the parade.

From all indications our celebration this year will greatly surpass the that we staged in 1922 and we hope that you will use your influence in helping us to make this a big day. We would also greatly appreciate it if you would not only decorate your own place of business and home but encourage others to do likewise as we wish the celebration to be the best for the many visitors that will be here.

Very sincerely yours,
W. W. WRIGHTLEY, Chairman,
Parade Committee.

The Plan of Parade.

Fireworks in the Evening.

In addition to the manifold carnival attractions, there will be a wealth of other amusements at the park in the evening, chief amongst which and one which everybody can participate in and enjoy is the magnificent fireworks display in the evening. This will be the finest fireworks exhibition ever staged in this section and will be well worth coming miles to see. This exhibit is guaranteed and will be handled entirely by experts from the factory.

ST. JOHN'S LUTHERAN CHURCH NOTES

Last Sunday evening marked the close of a very successful venture in a Week Day School of Religion. The pastor has been contemplating this school ever since the meeting of the State Sunday School Convention last October. When this work was stressed but not until the meeting of our North-West Conference in Allentown, early in May was a final decision made. It was here that every pastor was asked to get into this important work of the church. A program was mapped out, teachers for the seven groups selected and the work began. Was the venture a success? Let the Sunday evening service answer. It was a part of our regular daily program and it was given with special preparation on the part of the school. We might have devoted several mornings in preparing something for a public meeting but that was not our purpose. Our purpose in having this evening service was to create a greater interest in this important work and to convince the sceptical that it is really worth while.

The young people had complete charge of the program and all did themselves credit in the way they rendered their parts. The Scripture lessons were given from memory by the three groups, this was followed by prayers from each group in its turn. After the song by the school came the story telling period. This brought forth praise from the interested audience. These were all good, but some were exceptional. This was followed by Bible questions and answers. Many were the expressions of appreciation of the splendid work done during the short term of two weeks. We commend this work to others. Let every parent in turn test themselves in the religious training of their children and see that that they attend a similar school when opportunity affords. The community school soon to open should have your hearty support and doubly so if your children have no had the advantage of the school just closed. We thank one and all for the cooperation given that made our schools a success.

An Appreciation.

Despite all the warnings given by the state highway department, the press, and the practical certainty of jail sentences in connection with driving an automobile while intoxicated, this offense is committed with a frequency that makes the average motorist tremble with fear at the thought of night driving.

Sheriff Lowell has made a number of arrests on the public highways for this offense but the sheriff cannot be everywhere at once. It is a peculiar thing that our constables, of which there are well over a hundred in the county, do not follow the fine example set by the sheriff.

There is another class of car drivers who need attention in this vicinity right now. It has been a long time since some one has blown about the time he made going to Philipsburg. Just now we hear a great deal about this form of racing. It is a topic of much interest in some of the semi-public places of town. Day before yesterday a Clearfielder made a record which several have been striving to beat. There are plenty of accidents without this kind of foolishness.

GLORIOUS FOURTH

UNCLE SAM is 147 years old this Fourth of July, dating from the signing of the Declaration of Independence in 1776. In those 147 years, the red-white-and-blue orators have said about everything possible on the subject.

But as the years slip by, the fact that stands forth most indelibly about the Glorious Fourth is that the men who engineered the Declaration of Independence and later framed the Constitution which, with the Ten Commandments, is the basis of our laws, had remarkably far-sighted vision.

Lawyers frequently comment, that it is almost uncanny how the Constitution makers were able to see into the future and anticipate so many phases of modern life. The things they overlooked were relatively few, and probably they didn't overlook at all, the "overlooking" being in the way their followers have interpreted the original. Amendments can correct anything the framers overlooked.

The Declaration of Independence was the father of the Constitution of the United States.

We began getting our independence back on July 4, 1776. The job isn't finished yet. For one thing, we have free speech—except when it is needed most.

But you cast your mind's eye out over the troubled world and you wouldn't trade places with the people of any other country.

FOURTH OF JULY has changed a lot in the way we observe it. Fireworks have been banned in most communities. That saves many lives. It indicates that in at least this one way we're becoming more sensible.

Wouldn't you like to come back 147 years from now, in the year 2070, and see what's doing on the Fourth?

OUR DAY OF INDEPENDENCE
The Eagle, tearing its nest from high in the craig and dashing it into the abyss below that her young may learn to fly, or die—that is the dauntless symbol of our Nation. Tomorrow, Earth's Greatest Nation celebrates its birthday. One Hundred Forty-Seven years ago America's forefathers flung free to the world the Eagle's challenge—then Liberty was born. Since July Fourth, that distant day, garments of glory have been woven for America's Sons; great victories have been won on the field of industry, commerce and finance; from out the crucible of other wars great spirits sprung. But the deeper significance of the day smolders in American hearts, and when the sound of blowing horns, ringing bells and revelry dies down, the whole Nation thrills with its sense of Independence and lives again the scenes that have made possible our life-long Liberty and Freedom.

CLEARFIELD TRUST CO.

VACATION DAILY BIBLE SCHOOL TO OPEN THURSDAY

Will open on Thursday next, 9:15, in the auditorium of the High School building, with an assembly of all of the young people that are enrolling. Two teachers for each of the three divisions will be required to look after the boys and girls that have already signed up. And equally that number have taken enrollment blanks whose papers have not yet been turned in to Miss Katharine Lackey, at the Presbyterian manse.

Last night the general committee had a very enthusiastic meeting, fourteen persons being present. The schedule of studies for each division was reviewed and then passed over to the teachers.

After the daily assembly, with devotions, lessons in American life and ideals, the divisions will do class work. Division one takes up the following studies, day by day, The Good Shepherd, the Song of the Angels, The Star in the East, the Boy in the Temple, Jesus Loving Little Children, The Pool and the Angel, the Blind Man by the Wayside, The Story on the Sea, the Little Daughter, Five Barley Loaves, The Lost Sheep, the Song that Left Home, The Good Neighbor, Jesus on Calvary for Us, Jesus Always With Us. This division embraces all from four years of age to eight inclusive.

The second division studies the story of Jesus under these topics: The Wonderful Birth, The Lad Going to Church, the Baptism of Jesus, Jesus Helping at a Wedding, a Woman at the Well, a Deserted Man, Visiting His Old Home, Stopping a Funeral, Helping a Little Girl, Using a Boy's Lunch, Teaching to Pray, Loving Little Children, Taking Dinner; Dying for us, Risen that We may Love Him, Children from nine to eleven years will be grouped in this division.

The Life and Times of Jesus will be studied by the third division under: The Land Where Jesus Lived, The Birth of Jesus, A Visit to a City, A River Scene, One in the Wilderness, A Day in His Own City, Capernaum, the Call for Disciples, Preaching on a Hill, Praying the Lord's Prayer, Trust in His Heavenly Father, Children Singing Hosannas, The Plot Against Jesus, Jesus in the hands of His Foes, Crucified for Us, Risen That We should Love Him. All more than twelve years of age will be placed in this division.

Each division will have periods for memorization both selected Scripture and the great hymns of Christianity. Mission studies will have a definite place each morning.

This Vacation Bible School will be held every morning 9:15 to 11:30 a.m. on Wednesday and Thursday, from Thursday 5th to 20th inclusive. It is free, no charges whatever for tuition and the needed supplies for the study work. It is open to every child of four years of age and over in Clearfield and vicinity, boys and girls, irrespective of creed, church, race, nationality.

Progress Editorial For Women

RELIEF FOR THE HEATED TERM
By FLORENCE DAVIES

Hail, midsummer friend of weary and warm midsummer cooks! Here comes Dr. St. Louis Estes, heralded as national expert on raw food, and says that the stove is the stomach's enemy.

He says that he is younger now than he was ever so many years ago, and whereas he was once bald, now he exhibits a heavy thatch of hair. Grown by raw carrots, onions, beets, tomatoes and other "garden sassy," the Doctor avers.

We have heard considerable about the poor cook that slashes all the life giving minerals in her cabbage and potatoes down the drain in the water she boiled them in. The first one to give an absolute preventive for such mischief is Dr. Estes with his "Don't boil them at all."

If the doctor's theory could only be widely adopted, what an emancipation for tens of thousands of women sizzling in hot kitchens! Surely this is the time of year to make the movement popular. Grate your carrot salad and set it on the ice. Slice ruby tomatoes, scrub redder beets and peel them skin the festive onion. Make a banana salad with a sprink-

ling of nuts atop. Yes, we may have some kind of bread that has seen the oven, the doctor concedes. There now, dinner is ready.

There are advocates of a fast one day a week. Perhaps some combination may be effected so that with milk and cheese a steady attractive summer diet may be selected that will cool the must, heat the cook, lighten the gas, coal, electricity or kerosene bill. It would be easier to try after strawberry shortcake is gone, though there are pieplant pie makers that would tempt the most devoted follower of Dr. Estes.

Mrs. Charlotte Perkins Gilman, brilliant feminist, wrote an ironic epic once about "the holy stove, the center of the home." This was before the days of the present raw food cult, which must rejoice her heart with its hopeful message for tired-out queens of the kitchen.

That new growth of hair and the clear skin and bright eyes that are said to go with it, would sound pretty attractive to beauty parlor devotees. It would seem, and eating carrots would be much more simple than following some of the prescriptions that are published broadcast on the woman's page. Ho, for the garden!

Mr. and Mrs. L. G. Darr and baby, many are visiting Dr. and Mrs. L. J. as lay members of the Churches have shown very substantial interest in this movement.

Under the same and objectives of these studies, the Children of Clearfield have an unusual opportunity, and many parents will certainly see that their children enjoy it. Let every boy and girl turn out on Thursday morning coming—the day after the Fourth of July.

RUST STILL LEADS CHASE; GUN BATTLE WITH OFFICER HAD

Little Falls, Minn.—The trail of Edwin Rust, desperado and fugitive, was picked up here today when he fought a gun duel with Herbert Friesinger, railroad special agent, on top of a Great Northern freight train.

Rust had been unsuccessfully sought by dozens of posers in the Dakotas, Minnesota and Wisconsin since Monday night when he killed Sheriff Falker and leaped from a passenger train near Moonhead.

After exchanging several shots with Friesinger, Rust leaped from the train, stole an automobile from a garage and again escaped. Neither Rust nor Friesinger was wounded in the gun battle.

Secretary Woodward To Appeal To Business Men Of The State For Help

Harrisburg, July 3.—An appeal to organized business throughout the state was contemplated today by Secretary of Internal Affairs James Woodward as a means to prevent further dismemberment of his department.

Co-operation of the commercial and industrial interests with the Chambers of Commerce and other business organizations in preparing and gathering statistics which are required of him under the constitution are to be asked by Woodward.

BIGGEST AND BEST CELEBRATION

CLEARFIELD HAS EVER SEEN

8 A. M. REUNION OF VETERANS OF ALL WARS.—This includes the veterans of the Civil, Spanish-American and World Wars. Make the Legion rooms your meeting place. Tell your old side-kicker you'll meet him there first thing in the morning, so you may spend the entire day together. There will be some real old-time Army amusement at the rear of the High School for you and your Buddies.

10:30 A. M.

MAMMOTH MILITARY AND INDUSTRIAL PARADE.—Starts promptly. Seven Bands. American Legion units. Floats by Merchants, Clubs, Utility Companies Fire Department, Fraternal Organizations.

1:30 P. M.

HORSE RACES AT PARK.—Three races, \$1200 in purses. 2:24 Trot; 2:23 Pace and 2:17 Trot and Pace. The best horses in the section are being shipped in for these races and the purses are large enough to attract some fast goers.

2 P. M.

AEROPLANE STUNTS AND WING WALKING.—Lieut. Wm. H. Emery in the plane doing every sort of hair-raising and nerve-thrilling stunts. Daredevil Burton Holmes doing wing walking and wing dancing stunts that defy the natural laws. Then Holmes drops thousands of feet in a parachute.

3 P. M.

BASEBALL—CLEARFIELD A. L. VS. PHILIPSBURG.—These two teams have played together before and the breaks of the game have won for the "Borgers."

For the player making the first home run there is a valuable prize. The Electric Supply Company will present a beautiful Electric Table Lamp on display in their window. If no home runs are made in this game the offer stands until one is made.

7 P. M.

BAND CONCERT AT PARK.—The Clearfield American Legion Band will give one of its popular concerts at the band stand in the park. The program will consist of classical and popular numbers. Band under direction of Prof. Thayer.

BIG ATTENDANCE MARKS BEGINNING OF PLAYGROUNDS

The playground total for the first week of operation is 2199—quite an interesting item. A gain of 605 or a large week's attendance on a fifth ground. Work on additional equipment is not spectacular but going on steadily as people who care about the improvements put in what time they can. The excavation for the wading pool at East End has reached a total of many cubic yard and it will soon be time to concrete. This will be a fine permanent addition. Reedsville is going ahead with their basket-ball court plans are in the making for the other two grounds.

The Junior Horseshoe managers from the playgrounds met Monday afternoon and drew up the following schedule and tournament regulations. Thursday, July 5.—Reedsville to East End; West Side to Witmer Park. Monday, July 9.—East End to West Side; Witmer Park to Reedsville. Thursday, July 12.—Reedsville to West Side; East End to Witmer Park. Tuesday, July 17.—East End to Reedsville; Witmer Park to West

PESKY BED-BUGS

(Pesky Devils Quiet) P.D.Q. is the new chemical that puts the everlasting to the Pesky bedbugs, moths and roaches—impossible for the pesky devils to exist where P.D.Q. is used. Recommendations for Hotels, Hospitals, Railroad Companies and other public institutions are a guarantee to the public that the safest, quickest and most economical way of ridding the pesky insects is by the use of P.D.Q., as this chemical kills the eggs as well as the live ones, and will not injure the clothing. A 5c package makes a full quart, enough to kill a million bedbugs, moths and roaches—and also contains a patent sprout to get to the eggs. The hard-to-get-at places and narrow crevices, P.D.Q. can also be purchased in sealed bottles double strength, liquid form.

A Mechanical Massur.
A machine has been invented for the purpose of reducing weight. It weighs but 235 pounds and has only 48 roller wheels hung on an oscillating frame to travel over the human body from the knees to the neck. After one has undergone treatment at the hands of this mechanical monster, falling under the wheels of railroad cars no longer contains an element of danger.—Popular Science Monthly.

He's here all the time. Here twice most of the time. So don't blame the cocktails he mixes when you see him double. And because he's double, he doubles the fun. Yes sires!—the Mirror of Fashion and the Old of Form. There's only one laugh—but it's a laugh that lasts from first foot to last. C'mon. Everybody! Bring your can-openers. There's a reason.

THE FIGHT IS ON

Manager Kearns Comes
to Sane View; Agrees
to Take Chance on the
Gate Receipts.

SHELBY IS HAPPY

Shelby, Mont., July 3.—Shelby today greeted the magic words: "The fight is on" with a celebration which grew wilder every minute. Gloom and disappointment, that has hung over the place for days changed into elation at sunrise at the announcement by Jack Kearns and the celebration assumed the proportions of a party riot.

Shelby, Mont., July 3.—Taking a chance and sportsman's chance Jack Kearns in the wee hours of this morning agreed to send Jack Dempsey into the ring against Tommy Giltz in Shelby on July 4.

Kearns is taking a "stud game" chance that he will be able to obtain the remainder of the \$300,000 purse guaranteed him in his contract.

After a whole night spent in conferences during which Kearns made out after overture to help the promoters out of their difficulties, it was finally agreed that Kearns should accept the \$300,000 that has already been paid him and gamble on the gate receipts. Throughout the conference Kearns offered every proposal that he knew of to make the fight good. He suggested a postponement for a month. He offered the fight for \$250,000 and signified his willingness to go on with the \$200,000 they have paid and secure the remaining \$100,000 of the \$300,000 purse from the gate receipts after the expenses of the show, including the purse for the preliminary, the salaries of the ushers and special police had been paid.

The promoters for a time refused to accept the offer but after a lot of deliberation, finally agreed to accept his terms.

A DELIGHTFUL PARTY

A delightful birthday party was held in honor of John Mable at his home last evening in Hyde City. When the list of his friends spent the evening in playing games, dancing and singing. The out of town guests were from DuBois and Brookville. Refreshments were served and the guests left at a late hour wishing Mr. Mable many more happy birthdays.

Harding And Wife Make
Merry In Little Town
In Oregon; Surprise Visit

Mechem, Oregon, July 3.—President Harding went back to the days of the covered wagon and trail blazing pioneer days here. Surrendering to the romance of the old west Mr. Harding was the central figure in a celebration of the coming of the white man to the Oregon country.

Mechem is too small to mark on the map and Mr. Harding's acceptance of the invitation came as a surprise even to those who extended it.

He held a powwow with some of the pioneers who entered the country while the Indians were still natives. Mrs. Harding led the grand march and was introduced to some of the older members who blazed the Oregon trail.

Johnstown Machinist, 32, Takes The Count In Battle With Booze

Youngstown, O., July 3.—Clasping a photograph of his wife in his hand, the body of Charles Cameron, aged 32, a machinist, was found lying on his bed in a room in a hotel here today. At his side was an empty vial. On the back of the photograph was written: "A good girl for a rotter." He also left a letter addressed to his wife, 242 Llewellyn street, Johnstown Pa. The letter said: "Dear Edie: The booze is getting me so why not this quiet way. Nothing expensive. Remember you need all the money you can save for yourself and Junior. Goodbye. Love."

Glen Seymour of Rochester, N. Y. is spending a few days at the home of Mr. and Mrs. Bruce Sheesley on Weaver street.

Mr. and Mrs. Lee Williamson and children of Jersey Shore are spending a few days with their daughter, Mrs. Bruce Sheesley.

BIRTHDAY GREETINGS!

Final Instructions Go Forth On Parade Route, Formation And Placing Of Big Floats

Spectacle of Beauty Will
Move Promptly at Ten
Thirty; A Full Day of
Amusement to Follow.

FOLLOW CROWD

The final touch has been given to the plans for Clearfield's biggest Fourth of July, which is scheduled for tomorrow and at this time all is set and in readiness for the big time.

The amusement and entertainment features are of unusual class this year, the program being complete in every particular and will supply the particular kind of fun even the sourest kind of a pessimist indulges in at least once a year.

There will be horse racing galore, music till you can't keep your feet still, baseball between Philipsburg and Clearfield, a bang-up carnival, dare devil air flying, an industrial parade that will be a marvel and a soldier's reunion that will bring hundreds of veterans of the world war together, while the line-up will include heroes of three wars. The Spanish-American war vets and their more ancient comrades-in-arms the G. A. R. will be guests of the younger Legion and this feature of the big parade will prove an inspiring sight.

Parade Starts at 10:30 Sharp.
The big show opens with the industrial parade in the morning, it being the purpose to start the parade promptly at 10:30 o'clock. There are so many entries for the parade that close attention to details and program for same will be required to avoid confusion, and for the purpose of preventing mix-ups of any kind and character we present herewith the committee's instructions to all participants. Kindly familiarize yourself with same and then act accordingly. Here is the dope:

To all business places and industries having floats in the July 4th parade for 1923:
The parade committee of the John Lewis Shade Post of the American Legion wishes to take this means of notifying you of the various orders that should be conveyed to the driver of your float in the July 4th parade.

(Continued On Page Three)

SPECIAL INSTRUCTIONS TO FLOATS

All floats do as instructed by letter, any float that did not receive Special Instructions, report to Mr. Blake Owens at Cherry and Third, before 9 o'clock, where they will be given their position in parade.

BLUE BALL WOMAN WITH YOUNG BABE LOST OVER NIGHT

The staid, easy going people of Blue Ball, were treated to a thrill of excitement Sunday, July 1st, when they were enlisted to take up the trail of a stray woman and her babe.

Sunday afternoon about 2 o'clock a woman, Mrs. Annie Fagan, started from her home taking with her her 7-month old baby. When she did not return the members of her family became alarmed and spent the afternoon in search of her. Failing to locate her, they enlisted the aid of others, and a large force of men and boys scoured the surrounding woods Sunday evening, but without avail.

This morning at about 6 o'clock the searchers learned she was at the home of Clarence and Charles Peters about one mile and a half back of Blue Ball, having gone there to get milk for her child. Her parents and husband immediately went after her in a car and she was returned to her home. Neither she nor the babe seem to be suffering any ill effects from the experience.

No reason for leaving her home and spending the night in the woods with a child of tender age has been advanced by Mrs. Fagan. Whether she had gone for a walk and, having no means of telling the time, was not aware of the hour until darkness set in, and becoming frightened, lost her way, is not known but that is the theory advanced.

SOMETHING EVERYBODY SHOULD KNOW

The main entrance to the Park will be reserved entirely for pedestrians and official cars. Automobiles will take route across lower bridge, out Nichols to Turnpike, right on Turnpike to McBride, right on McBride to Park entrance.

Returning, automobiles will leave park at rear entrance on Old Mill Road, back of Exhibition building, to Turnpike, follow Turnpike to B. R. & P. station, thence across upper bridge to court house.

COUNCIL SESSION LAST EVENING IS DEVOID OF THRILL

The regular semi-monthly meeting of Borough Council held in the Council chamber last evening and was participated in by nine members of Council and Burgess Kiteberger. The Burgess in his monthly report showed there had been six arrests during June and that these six violators of the Borough statutes had paid into the treasury \$48 in hard cash by the fine route while \$5.50 more had been secured by the Burgess for license issued.

Tax Collector Kerr reported payment of \$641.23 on duplicate of 1922 while ex-Tax Collector Taylor turned in \$27.30 on duplicate of 1921. Borough Solicitor Urey reported collections of \$116.89 since last report and presented his check for same.

Engineer Hess reported on the construction jobs now underway about the borough and said the repairs at the curve at the foot of Bigler Avenue had been completed and that Leav Avenue paving would be completed before the next meeting of Council.

WANTED—Six Boy Scouts in uniform for parade work tomorrow morning. Apply to A. G. T. whole crew at seven o'clock this evening.

LOCAL MISS WINS MEDAL GIVEN BY SONS OF VETERANS

During the school year just closed the national organization of the Sons of Veterans of the United States offered a prize of a gold medal or its equivalent in gold coin to the member of the Eighth Grade in any public school in the land for the best essay on Abraham Lincoln.

Among the Eighth Graders in the Clearfield schools to enter the contest was Miss Margaret Gilliland, daughter of Mr. and Mrs. Frank S. Gilliland, of South Fourth street. Thousands of essays were received and it took the committee in charge many weeks to examine the papers and make their award of the prizes. Today Miss Gilliland was advised by Secretary McGirr, of the committee from headquarters at Philadelphia, that her essay had been adjudged the best and the first prize awarded to her. The prize is a handsome gold medal bearing the name of the prize winner together with a mention of the contest in which it was won.

Miss Margaret is mightily pleased over her success and is receiving the congratulations of her friends on her ability.

Secretary Willets Dismisses Dozen, Including Sanders

Harrisburg, July 2.—The release of 10 employees of the state department of agriculture, among them Dr. J. G. Sanders, for the past seven years head of the bureau of plant industry, was announced today by Secretary of Agriculture Frank P. Willits. The action, the secretary said, was in connection with the department's organization plans. Dr. Sanders is widely known as a zoologist. He came to Pennsylvania from Wisconsin.

Miss Achsah Lippincott, of Philadelphia for six years assistant director of the bureau of markets, was dropped.

In the bureau of foods Thomas G. Hurley, Chester; Archie Billings, Edinboro; Myrven H. Neaffer, Altoona, and Albert G. Woodward, Clearfield, were dropped. Walter L. Nuschke, Austin, resigned.

Three market reporters, W. H. Steinbauer, Erie district; S. W. Russell York, and Harrisburg districts, and H. C. Marsh, Reading and Allentown districts, were dropped. Steinbauer and Russell have accepted positions with the Federal department of agriculture and Marsh is engaged in potato work in Potter county. In the bureau of chemistry Leroy Pennacker, assistant chemist, was dropped.

Willits announced that during the grape marketing season in Erie county and the potato marketing in Lehigh county a temporary crop reporting service will be established.

ATTEMPT TO PASS CAR FATAL TO TWO AT MAHANAOY CITY

Mahanoy City, Pa., July 3.—Chas. Oransky, aged 40, of Coalbrook, and George Noll, aged 30, of Ashley, and four others were injured in an automobile accident that occurred on the Home Town pike five miles east of here last night.

Oransky, driving a small touring car, attempted to pass a car driven by Gilbert Brayford of this city, going in the same direction and collided head-on with a huge passenger bus traveling in the opposite direction. The Brayford car crashed into the wreckage.

BURNED TO DEATH IN OVERTURNED CAR; ANOTHER BAD HURT

Saintclairsville, Ohio, July 4.—When the automobile in which they were riding overturned and caught fire near here last night, Wm. Williams, 25 of Martins Ferry, was burned to death and Stanley Cummings, 36, Moundsville, W. Va., was probably fatally injured.

SHERIFF NABS MAN DRIVING CAR IN DRUNKEN CONDITION

William Wolf, of Clearfield, was arrested by Sheriff Lowell between 8 and 8 o'clock last evening on Clearfield-Curwensville road charged with operating a motor vehicle while intoxicated. Wolf's car failed to make the turn at the crossing below the bridge across the river below Clearfield and snapping off the steering signpost ran down the embankment short distance before the driver got it stopped. The Sheriff happened along about this time and when Wolf was placed under arrest. He was taken before Squire Chorprenning for his appearance at court.

Lewis Wiser Held As Bootlegger At Curwensville Court

Another alleged pernicious bootlegger met the strong arm of the law in Clearfield county and went down before it, when County Detective Snyder and State Troopers Barker and Pierce went out to Long Run in Bush township yesterday afternoon armed with a warrant for Lewis Wiser, which charged him with violation of the liquor law. Wiser was found and arrested, but a search of his home and premises failed to discover any "unlicensed hooch."

Wiser's arrest is a follow-up on the arrest at the carnival at Curwensville Saturday evening of four Clearfield young men named Dotch, Smith, Gussion and Myers, whom the officers saw drinking from a bottle in the rear of one of the tents.

When taken into custody and quizzed a little by the officers the young men volunteered the information that they had driven out to Wiser's home on Saturday evening looking for Curwensville and picked up the moonshine they were drinking from Wiser. The young men were taken before "Squire Dale at Curwensville Monday and fined for disorderly conduct.

Yesterday information charged bootlegging was made against Wiser by the officers before "Squire Chorprenning, who issued the warrant upon which Wiser was arrested during the afternoon. He was brought to Clearfield, but managed to secure \$1,000 bail for his appearance at September term of criminal court.

Marl Dotch, aged 18, one of the Clearfield contingent, was charged with violating the liquor law also, and he is at large on \$1,000 bail for his appearance at court.

REPORT UNION BOUGHT HERRIN TO SETTLE CLAIM

Springfield, Ill., July 2.—Purchase of the strip mine at Herrin, Ill., about which rioting a year ago cost 22 lives, was reported here today to have been affected by the Mine Workers, as a means of settling the heavy damage suits contemplated by W. J. Lester, owner of the mine. The report is unverified, but according to information the price was \$726,000.

Verification of the reported purchase was delayed because of the unwillingness of other state officers of the mine workers to talk, in absence of President Frank Foster. Secretary Walter North, the only announcement obtainable must come from Farrington, whose whereabouts at this time, he said, he did not know.

HARD COAL OPERATORS AGREE TO MEET LEWIS

Philadelphia, Pa., July 3.—Anthracite coal operators have accepted the invitation of John L. Lewis, president of the U. M. W. of A. to meet with representatives of union workers of Districts No. 1-7 and 8 at Atlantic City on July 6 for the purpose of adopting a new agreement in place of the present one which expires August 31, 1923.

Miss Jane Hagerty, who is a delegate representing Dickinson College, is attending a convention at Estes Park, Colorado, at present.

Declaration Signed--In August, Not July 4

WASH., D. C., July 3.—The Declaration will be read in every city and hamlet July 4, while bands blare, flags wave and orators eulogize those who signed the great document.

Only one thing wrong—they didn't sign the Declaration of Independence July 4. The signers affixed their names thereto sometime between Aug. 2, 1776 and Jan. 18, 1777. One signer—Thomas McKean—didn't affix his name even then, and it does not appear in the first printed copies.

Lee Started It
The Declaration of Independence came into being through an action of Richard Henry Lee of Virginia. As a member of the Second Continental Congress he introduced a resolution June 7, 1776, as follows:

"Resolved: That these United Colonies are, and of right ought to be, free and independent states; that they are absolved from all allegiance to the British Crown and all political connection between them and the State of Great Britain is, and ought to be, totally dissolved.

"That it is expedient forthwith to take the most effectual measures for forming foreign alliances.

"That a plan of confederation be prepared and submitted to the respective Colonies for their approbation."

June 11 a committee—Thomas Jefferson, John Adams, Benjamin Franklin, Roger Sherman and R. R. Livingston—was named to prepare a Declaration as a preamble to the resolution.

Tabled Again
Their draft was reported June 28, but tabled. July 1, Congress, as a committee of the whole, agreed to it and reported the resolution.

July 2, Congress adopted the independence resolution. The Declaration was considered by the committee of the whole July 3. The following day, July 4, the Declaration—including the first paragraph of Lee's resolution—was adopted by Congress.

Congress immediately ordered authentication of the Declaration and printing it as a circular, distributed it to state assemblies, etc.

Not more than a fourth of the 56 signers of the Declaration were present July 4. Seven who were members and present at the time were unable to sign the historic document as their terms of office expired before Aug. 2, the date members began to sign the officially engrossed parchment, to be signed by all members of Congress.

This change of congressmen resulted in Thornton Williams Rush, Clymer, Smith, Taylor and Ross becoming senators—although they were not members of Congress July 4 when the Declaration was adopted.

Actor on the resolution was post-

(United Press Sports Editor.)

Shelby, Mont., July 3.—In a shiny new pine arena, nestling down in a cup of rolling hills, in this little but hustling cow-oil city, Jack Dempsey and Tommy Gibbons are scheduled to meet under the afternoon sun tomorrow, for the world's heavyweight championship.

The bout is scheduled for 15 rounds to a decision. James Dougherty, of Philadelphia, who was favored by Dempsey and Jack Kearns, his manager, will be the third man in the ring.

The arena, which is about half the size of the Rickard stadium in Jersey City, was built at a cost of \$75,000 to seat 40,000 spectators. The seats are selling at from \$20 to \$50. The seats are very narrow and it is going to be a job sitting on them many hours, especially if a hot Montana sun is on the job and the sun does get hot out here—make no mistake about that.

Dempsey is guaranteed \$300,000 for his efforts, and in addition, \$10,000 for training expenses. And Kearns, Dempsey's manager, got \$200,000 of the amount when June was half gone, even if he did come close to wrecking the show to get it. Gibbons is gambling. He has agreed to take 50 per cent of the receipts after Dempsey's guarantee is taken out. Perhaps Tommy will owe himself money after the fight is over, for \$300,000 looks like a big bunch of money even out here, where money doesn't go very far, anyhow.

Dempsey says he expects to enter the ring at 190 pounds and Gibbons will probably be about 10 pounds lighter. Jack Kearns and Jerry Lavatas, Dempsey's trainer, will head the force in Dempsey's corner. Eddie Kane, Gibbons' manager, will be in Gibbons' corner, with a corps of assistants.

It has been announced that the Dempsey-Gibbons fight would be staged at 3 p. m., Rocky Mountain time, which is 4 p. m. central standard; 5 p. m. eastern standard, and 6 p. m. daylight saving time on the Atlantic coast. On the Pacific coast this will be 3 p. m. standard.

There are only three hotels in Shelby, but tents have been put up all over the town and the Great Northern Railroad has put in force four miles of new sidetracks, where it has accommodations to park thirty special trains, where customers are expected to eat and sleep.

Of course refreshment stands of all kinds have appeared all over town and outside of the Pullman customers, most of the eating will be of the hot dog variety.

The county has also provided immense parking spaces for autos and plenty of reservations for parties who desire to camp and these spaces have been filling up the last few days.

Bright Idea

My little niece, five years old, went to visit a neighbor's little girl, and seeing a cat with a family of little kittens, she went home and said: "Mamma, Mamma's old cat has got a lot of little kittens and I am going to get my cat."

OH! MY BACK!

A stubborn backache is cause to suspect kidney trouble. When the kidneys are inflamed and swollen, stooping brings a sharp twinge in the small of the back that almost takes the breath away. Doan's Kidney Pills revive sluggish kidneys—relieve aching backs. Here's Clearfield proof:

Mrs. Roy Shirey, 128 Clearfield St., says: "I had an attack of kidney complaint that caused me to have a severe pain in the small of my back. When I got up mornings the pain was severe and I had headaches. My hands were swollen, too. After taking about four boxes of Doan's Kidney Pills the pains in my back were all gone and I haven't been troubled with my kidneys since. I think Doan's is a wonderful kidney remedy and I gladly recommend them." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Shirey had. MALEFACTORS ARE UP BEFORE JUDGE FOR SENTENCES

Walter Dempsey, of DuBois, was sentenced by Judge Bell this morning to pay a fine of \$100 and serve 15 days in jail on his plea of guilty to having violated the state motor law by driving an automobile while under the influence of liquor.

Mrs. Mary Serian of DuBois, who some time ago was convicted of violation of the liquor law and allowed to go upon payment of \$200 fine and costs, further sentence being suspended on her agreeing to leave the county, recently returned to the county and was haled before the court this morning and sentenced to 60 days in jail.

Mrs. Serian has had a strenuous experience during her life. Her first husband up and died. No. 2 beat it about the time the arrest for violation of the liquor law was made and she being informed he had made his way back to Italy and died, thereupon led No. 3 to the altar. It was this last husband who induced the poor

woman to come back to DuBois. When she got off the train at the B. & P. station en route to the Court House for sentence, with one baby in her arms and six other ones ranging in age from 12 years down tagging along after her as single file, the party attracted some attention as they traipsed down Market street.

The woman took the baby to jail with her while husband No. 3 is going to wrestle along with the other six during the sixty days the wife and mother is in jail.

THE FATHERS

BY BERTON BRALEY

The Fathers of our Country were in no wise afraid
Of all the might and power that George the Third displayed
They signed the Declaration
Which made this land a nation,
Nor thought the price of liberty too heavy to be paid.

The Fathers of our Country, they held a vision true,
A vision of democracy, and bravely saw it through;
With all their strength they wrought for it
And what is more—they fought for it
And held their purpose steady as brave men always do.

Because their hearts were fearless, because their aims were true,
Their spirit lives among us when all their bones are dust,
And if our nation flourishes
It is because it nourishes
The dream of human freedom in which they put their soul.

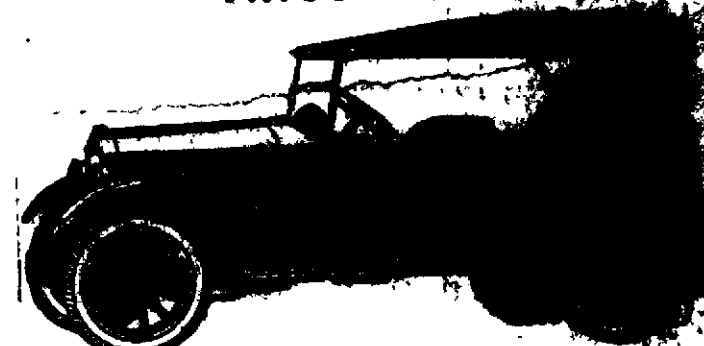

And this is our inheritance to hold and to maintain,
Not selfish isolation or sordid greed, of gain,
But faith in the ideal
Of making freedom real,
A light to guide humanity through all the world's domains.

The Fathers of our Country beneath its soil are laid,
But those immortal words they wrote shall never pale or fade,
And while their faith enfolds us
And their great vision holds us
Then, like our Country's Fathers we shall not be afraid!

JEWETT SIX

PAIGE BUILT

Try to Match Its Performance

REMEMBER, Jewett is a car at the price of a truck. It matches its flexibility—from 2 to 60 miles an hour. Or its acceleration—from 5 to 25 miles an hour in 7 seconds. Or in road comfort—Jewett's springs are 10 inches deep; it weighs 200 pounds more than any car of its class. Or try to pass a Jewett on any hill. Demonstration any time.

FINAL INSTRUCTIONS

(Continued From Page One.)

Have your float report to Blake Owens, a member of our committee, who will be stationed at the corner of 3rd and Cherry streets. Your float should report between the hours of eight and nine o'clock in the morning of July 4th. "Halt" no float should be allowed to take any position until they have been notified to do so by Mr. Owens. At this time you will be officially checked into the parade.

The cups which will be awarded as prizes for the various floats are now on display in the window of Snyder's jewelry store. We wish to call your attention to the fact that your float may compete in two of the three classes, namely: The loving cup that will be given for the most beautiful and artistic float in the industrial section of the parade and the loving cup that will be given for the float having the best advertising features in the parade.

From all indications our celebration this year will greatly surpass the one we staged in 1922 and we hope that you will use your influence in helping us to make this a big day. We would also greatly appreciate it if you would not only decorate your own place of business and home but encourage others to do likewise as we wish the celebration to be the best many visitors that will be here.

Very sincerely yours,
W. W. WRIGHTLEY, Chairman,
Parade Committee.

The Float of Parade.
The route of parade, or line of march is as follows and will not be deviated from:

Forms on streets south of Cherry,
Moves south on Second street to Market,
West on Market to Front,
North on Front street to Pine,
East on Pine to Second,
North on Second to Reed,
East on Reed to Third,
South on Third to Market,
East on Market to Fourth,
South on Fourth to Cherry,
West on Cherry to Third,
North on Third to Market,
West on Market to Second,
North on Second to the Park.
Fireworks in the Evening.

In addition to the manifold carnival attractions, there will be a wealth of other amusements at the park in the evening, chief amongst which and one which everybody can participate in and enjoy is the magnificent fireworks display in the evening. This will be the finest fireworks exhibition ever staged in this section and will be well worth coming miles to see. This exhibit is guaranteed and will be handled entirely by experts from the factory.

In closing we just want to add that John Shade Post of the American Legion is behind this celebration, they bank their reputation on its high class which is a guarantee that not only will every advertised feature be given, but that each feature will be a real one and that nothing will be left undone to satisfy the patrons of this celebration.

ST. JOHN'S LUTHERAN CHURCH NOTES

Last Sunday evening marked the close of a very successful venture in a Week Day School of Religion. The pastor has been contemplating this school ever since the meeting of the State Sunday School Convention last October. When this work was stressed but not until the meeting of our North-West Conference in Allentown, early in May was a final decision made. It was here that every pastor was urged to get into this important work of the church. A program was mapped out, teachers for the several groups secured and the work began. Was the venture a success? Let the Sunday evening service answer. It was a part of our regular daily program and it was given without special preparation on the part of the school. We might have devoted several mornings in preparing something for a public meeting but that was not our purpose. Our purpose in having this evening service was to create a greater interest in this important work and to convince the sceptical that it is really worth while.

The young people had complete charge of the program and all did themselves credit in the way they rendered their parts. The Scripture lessons were given from memory by the three groups, this was followed by prayers from each group in its turn. After the song by the school came the story telling period. This brought forth praise from the interested audience. These were all good, but some were exceptional. This was followed by Bible questions and answers. Many were the expressions of appreciation of the splendid work done during the short term of two weeks. We commend their work to others. Let every parent interest themselves in the religious training of their children and see that they attend a similar school when opportunity affords. The community school soon to open should have your heartfelt support and doubly so if your children have not had the advantage of the school just closed. We thank one and all for the cooperation given that made our schools a success.

An Appreciation.

Despite all the warnings given by the state highway department, the press, and the practical certainty of jail sentences in connection with driving an automobile while intoxicated, this offense is committed with a frequency that makes the average motorist tremble with fear at the thought of night driving.

Sheriff Lowell has made a number of arrests on the public highways for this offense but the sheriff cannot be everywhere at once. It is a peculiar thing that our constables, of which there are well over a hundred in the county, do not follow the fine example set by the sheriff.

There is another class of car drivers who need attention in this vicinity right now. It has been a long time since some one has blown about the time he made going to Philipsburg. Just now we hear a great deal about this form of racing. It is a topic of much interest in some of the semi-public places of town. Day before yesterday a Clearfielder made a record which several have been striving to beat. There are plenty of accidents without this kind of foolishness.

GLORIOUS FOURTH

UNCLE SAM is 147 years old this Fourth of July, dating from the signing of the Declaration of Independence in 1776. In those 147 years, the red-white-and-blue orators have said about everything possible on the subject.

But as the years slip by, the fact that stands forth most indelibly about the Glorious Fourth is that the men who engineered the Declaration of Independence and later framed the Constitution which, with the Ten Commandments, is the basis of our laws, had remarkably far-sighted vision.

Lawyers frequently comment, that it is almost uncanny how the Constitution makers were able to see into the future and anticipate so many phases of modern life. The things they overlooked were relatively few, and probably they didn't overlook at all, the "overlooking" being in the way their followers have interpreted the original. Amendments can correct anything the framers overlooked.

The Declaration of Independence was the father of the Constitution of the United States.

We began getting our independence back on July 4, 1776. The job isn't finished yet. For one thing, we have free speech—except when it is needed most.

But you cast your mind's eye out over the troubled world and you wouldn't trade places with the people of any other country.

FOURTH OF JULY has changed a lot in the way we observe it. Fireworks have been banned in most communities. That costs many lives. It indicates that in at least this one way we're becoming more sensible.

Wouldn't you like to come back 147 years from now, in the year 2070, and see what's doing on the Fourth?

OUR DAY OF INDEPENDENCE
The Eagle, tearing its nest from high in the craig and dashing it into the abyss below that her young may learn to fly, or die—that is the dauntless symbol of our Nation.
Tomorrow, Earth's Greatest Nation celebrates its birthday.
One Hundred Forty-Seven years ago America's forefathers flung free to the world the Eagle's challenge—then Liberty was born.
Since July Fourth, that distant day, garments of glory have been woven for America's Sons; great victories have been won on the field of industry, commerce and finance; from out the crucible of other wars great spirits sprung.
But the deeper significance of the day smolders in American hearts, and when the sound of blowing horns, ringing bells and revelry dies down, the whole Nation thrills with its sense of Independence and lives again the scenes that have made possible our life-long Liberty and Freedom.

CLEARFIELD TRUST CO.

VACATION DAILY BIBLE SCHOOL TO OPEN THURSDAY

Will open on Thursday next, 9:15, in the auditorium of the High School building, with an assembly of all of the young people that are enrolling. Two teachers for each of the three divisions will be required to look after the boys and girls that have already signed up. And equally that number have taken enrollment blanks whose papers have not yet been turned in to Miss Katharine Lackey, at the Presbyterian manse.

Last night the general committee had a very enthusiastic meeting fourteen persons being present. The schedule of studies for each division was reviewed and then passed over to the teachers.

After the daily assembly, with devotions, lessons in American life and ideals, the divisions will do class work. Division one takes up the following studies, day by day, The Good Shepherd, The Song of the Angels, The Star in the East, The Boy in the Temple, Jesus Loving Little Children, The Pool and the Angel, The Blind Man by the Wayside, The Story on the Sea, The Little Daughter, Five Barley Loaves, The Lost Sheep, The Song that Left Home, The Good Neighbor, Jesus on Calvary for Us Jesus Always With Us. This division embraces all from four years of age to eight inclusive.

The second division studies the story of Jesus under these topics: The Wonderful Birth, The Lad Going to Church, the Baptism of Jesus, Jesus Helping at a Wedding, a Woman at the Well, a Deserted Man; Visiting His Old Home, Stopping a Funeral, Helping a Little Girl, Using a Boy's Lunch, Teaching to Pray, Loving Little Children, Taking Dinner; Dying for us, Risen that We may Love Him, Children from nine to eleven years will be grouped in this division.

The Life and Times of Jesus will be studied by the third division under: The Land Where Jesus Lived The Birth of Jesus, A Visit to a City A River Scene, One in the Wilderness, A Day in His Own City, Capernaum, the Call for Disciples Preaching on a Hill, Praying the Lord's Prayer, Trust in His Heavenly Father, Children Singing Hosannas The Plot Against Jesus, Jesus in the hands of His Foes, Crucified for Us Risen That We should Love Him. All more than twelve years of age will be placed in this division.

Each division will have periods for manual for both selected Scripture and the great themes of Christianity. Mission studies will have a definite place each morning.

This Vacation Bible School will be held every morning 9:15 to 11:30 a.m. on Thursdays and Sundays, from Thursday 5th to 29th inclusive. It is free, no church subscription for tuition and the needed supplies for the study work. It is open to all children of four years of age and over in Clearfield and vicinity, boys and girls, irrespective of creed, church, race, nationality.

Progress Editorial For Women

RELIEF FOR THE HEATED TERM
By FLORENCE DAVIES

Hail, midsummer friend of weary, and warm midsummer cook! Here comes Dr. St. Louis Estes, heralded as national expert on raw food, and says that the stove is the stomach's enemy.

He says that he is younger now than he was ever so many years ago, and whereas he was once bald, now he exhibits a heavy thatch of hair grown by raw carrots, onions, beets, tomatoes and other "garden stuff," the Doctor avers.

We have heard considerable about the poor cook that slashes all the life giving minerals in her cabbage and potatoes down the drain in the water she boiled them in. The first one to give an absolute preventive for such mischief is Dr. Estes with his "Don't boil them at all."

If the doctor's theory could only be widely adopted what an emancipation for tens of thousands of women sizzling in hot kitchens! Surely this is the time of year to make the movement popular. Grate your carrot salad and set it on the ice. Slice ruby tomatoes, scrub redder beets and peel them; skin the festive onion. Make a banana salad with a sprink-

ling of nuts atop. Yes, we may have some kind of bread that has seen the oven, the doctor concedes. There now, dinner is ready.

There are advocates of a fast diet one day a week. Perhaps some combination may be elected so that woman may escape a really attractive summer diet may be selected that will cool the blood, rest the cook, lighten the gas, cool, electricity or keatsong bill. It would be easier to try after strawberry shortcake is gone, though there are pieplant pie makers that would tempt the most devoted follower of Dr. Estes.

Mrs. Charlotte Perkins Gilman, brilliant feminist, wrote an ironic epic once about "the holy stove, the center of the home." This was before the days of the present raw food cult, which must rejoice her heart with its hopeful message for tired-out queens of the kitchen.

That new growth of hair and the clear skin and bright eyes that are said to go with it, would sound pretty attractive to beauty parlor devotees it would seem, and eating carrots would be much more simple than following some of the prescriptions that are published broadcast on the woman's page. Ho, for the garden!

Under the same one and objectives of the studies, the Children of Clearfield have an unusual opportunity and many parents will certainly see that their children enjoy it. Let every boy and girl turn out on Thursday morning coming—the day after the Fourth of July.

Mr. and Mrs. L. G. Darr and baby Mary are visiting Dr. and Mrs. L. J. as lay members of the Churches have lunch at Cumberland, Md.

In the District Court of the United
States for the Western District of
Pennsylvania, Frank William Roess-
ner, individually and as a partner of
Edward Joseph Roessner, trading as
Clearfield Brewing Company, and
Roessner Bros. Products Company, of
Clearfield County, Pennsylvania, a
Bankrupt under the Act of Congress
of July 1, 1898, having applied for a
full discharge from all debts provable
against his estate under said Act, no-
tice is hereby given to all known
creditors and other persons in inter-
est, to appear before the said Court
at Pittsburgh, in said District, on the
10th day of August, 1923, at 10
o'clock in the forenoon to show cause,
if any they have, why the prayer of
the said petitioner should not be
granted.

RUST STILL LEADS CHASE; GUN BATTLE WITH OFFICER HAD

Little Falls, Minn.—The trail of
Edwin Rust, desperado and fugitive,
was picked up here today when he
fought a gun duel with Herbert Wis-
singer, railroad special agent, on top
of a Great Northern freight train.

Rust had been unsuccessfully
sought by dozens of possses in the Da-
kotas, Minnesota and Wisconsin since
Monday night when he killed Sheriff
Fulker and leaped from a passenger
train near Moonhead.

After exchanging several shots
with Wissinger, Rust leaped from the
train, stole an automobile from a ga-
rage and again escaped. Neither
Rust nor Wissinger was wounded in
the gun battle.

Secretary Woodward To Appeal To Business Men Of The State For Help

Harrisburg, July 3.—An appeal to
organized business throughout the
state was contemplated today by Sec-
retary of Internal Affairs James
Woodward as a means to prevent fur-
ther dismemberment of his depart-
ment.

Co-operation of the commercial and
industrial interests with the Cham-
bers of Commerce and other business
organizations in preparing and gath-
ering statistics which are required of
him under the constitution are to be
asked by Woodward.

Following an old time custom, Joe Fellerton owner of the Herald, announced in last issue that there would be no paper issued from his shop this week.

Comrade Jim Booth has secured a concession from the Park committee granting him the privilege of "running" an eating booth, etc. He starts in today and will probably continue in business over there during the summer months. Comrade James is an old "woods cook" as well as learning a few extra French kinks of dishing up grub during his term of service across the pond at that period of unpleasantness that took so many of the young men over seas.

If all reports are to be taken authentically Curwensville will certainly be a dead town Wednesday, the 4th, as nearly every one has expressed him or herself as going to Clearfield to see the big demonstration advertised to take place in that burg on the natal day.

BIG ATTENDANCE MARKS BEGINNING OF PLAYGROUNDS

The playground total for the first week of operation is 2199—quite an interesting item. A gain of 605 or a large week's attendance on a fifth ground. Work on additional equipment is not spectacular but going on steadily as people who care about the improvements put in what time they can. The excavation for the wading pool at East End has reached a total of many cubic yard and it will soon be time to concrete. This will be a fine permanent addition. Reedsville is going ahead with their basket-ball court plans are in the making for the other two grounds.

The Junior Horseshoe managers from the playgrounds met Monday afternoon and drew up the following schedule and tournament regulations. Thursday, July 5.—Reedsville to East End; West Side to Witmer Park. Monday, July 9.—East End to West Side; Witmer Park to Reedsville. Thursday, July 12.—Reedsville to West Side; East End to Witmer Park. Tuesday, July 17.—East End to Reedsville; Witmer Park to West Side.

Aaron Imler were Houtzdale callers on Saturday evening. Mr. and Mrs. Emil Zilko called on friends in Banian on Sunday. Mr. and Mrs. H. C. Bailey and two children were Houtzdale shoppers on Saturday evening.

PESKY BED-BUGS

(Pesky Devils Quiet) P.D.Q. is the new chemical that puts the everlasting to the Pesky bedbugs, moths and roaches—impossible for the pesky devils to exist where P.D.Q. is used. Recommendations for Hotels, Hospitals, Railroad Companies and other public institutions are a guarantee to the public that the safest, quickest and most economical way of ridding the pesky insects is by the use of P.D.Q., as this chemical kills the eggs as well as the live ones, and will not injure the clothing. A 5c package makes a full quart, enough to kill a million bedbugs, moths and roaches—and also contains a patent sprout to get to the eggs. The hard-to-get-at places and save time. P.D.Q. can also be purchased in sealed bottles double strength, liquid form.

A Mechanical Massur.

A machine has been invented for the purpose of reducing weight. It weighs but 235 pounds and has only 48 roller wheels hung on an oscillating frame to travel over the human body from the knees to the neck. After one has undergone treatment at the hands of this mechanical monster, falling under the wheels of railroad cars no longer contains an element of danger.—Popular Science Monthly.
